

# **University of Agricultural and Horticultural Sciences, Savalanga Road, Shimoga**

## **University Examination Centre**

Among the different functions of the University, Examination is an prime important in the Academic carrier of the student. Before the establishment of the University, internal examination was carried out by the teachers. For more exposure to the subject, External Examination was started during 1999-2000. In this system, Final Examination for 50.00 marks, paper setting and evaluation was done by the external examiner and the University established External Examination Unit in the college for smooth functioning of examination. During 2011-12 University level of examination was started by University of Agricultural Sciences, Bangalore and same was continued for College of Agriculture, Shimoga also. Later 2013, University of Agricultural and Horticultural Sciences, was formed and University Examination Centre was established. The main purpose of University Examination Centre is to conduct University level examination across the constituent colleges which comes under newly established University of Agricultural and Horticultural Sciences, Shimoga. University Examination Centre also helps in maintaining uniformities in evaluation system with common course outlines and early announcement of results, which ultimately reduces the cost of examination.
